

Smaller local government bodies in Wales must prepare annual accounts following proper practices out in the One Voice Wales/SLCC publication **Governance and accountability for local councils A Practitioners' Guide** (the Practitioners' Guide). The Practitioners' Guide states that bodies may prepare accounts in the form of an annual return prepared by the Wales Audit Office.

## The accounts and audit process

The accounts and audit arrangements follow the process as set out below.

Please read the guidance on completing this Annual Return and complete all sections highlighted in red including both sections of the Annual Governance Statement.

## PLEASE PRINT THIS DOCUMENT FOR SIGNATURE AND SEND IT TO YOUR AUDITOR

Incomplete or incorrect returns may require additional external audit work and incur additional costs. Send the **original** Annual Return, together with all additional information requested, to the external auditor acting on behalf of the Auditor General for Wales. Unless requested, please **do not** send any original financial or other records to the external auditor.

Audited and certified returns are sent back to the body for publication or display of the accounting statements, Annual Governance Statement and the Auditor General for Wales' certificate and report.

## Guidance notes on completing the Annual Return

1. You must apply proper practices when preparing this annual return. For guidance, please read the Practitioners' Guide (**Governance and accountability for local councils: A Practitioners' Guide (Wales)**) – available from One Voice Wales and SLCC. It contains everything you need for the financial year-end and the statutory audit.
2. The Wales Audit Office Good Practice Exchange ([www.audit.wales/good-practice/finance/community-council-money](http://www.audit.wales/good-practice/finance/community-council-money)) provides further information on the accounts and audit process along with guidance on governance matters.
3. Make sure that the Annual Return is fully completed ie, no empty red boxes. Please avoid making any amendments to the completed return. If this is unavoidable, cross out the incorrect entries, make sure the amendments are drawn to the attention of the body, properly initialled and an explanation for them is provided to the external auditor. **Please do not use correction fluid.** Annual returns that are incomplete or contain unapproved and/or unexplained amendments or correction fluid will be returned unaudited and may incur additional costs.
4. There are now **two boxes for certification and approval by the body. The second box is only required if the annual return has to be amended as a result of the audit. You should only complete the top box before sending the form to the auditor.**
5. Use a second pair of eyes, perhaps the Chair or a member, to review your Annual Return for completeness before sending the original form to the auditor.
6. Make sure that your accounting statements add up, that the balance carried forward from the previous year (line 7 of 2017) equals the balance brought forward in the current year (line 1 of 2018). Explain any differences between the 2017 figures on this annual return and the amounts recorded in last year's annual return.
7. Explain fully any significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include a detailed analysis to support your explanation and be specific about the values of individual elements making up the variances.
8. Make sure that the copy of the bank reconciliation you send to your auditor with the Annual Return covers all your bank accounts and cash balances. If there are no reconciling items, please state this and provide evidence of the bank balances. If your Council holds any short-term investments, please note their value on the bank reconciliation. The auditor should also be able to agree your bank reconciliation to line 9 in the accounting statements. More help on bank reconciliation is available in the Practitioners' Guide\*.
9. **Every** small body is now required to send to the external auditor, information to support the assertions made in the Annual Governance Statement. Your auditor will tell you what information you need to provide. Please read the audit notice carefully to ensure you include all the information the auditor has asked for. You should send **copies** of the original records (certified by the Clerk and Chair as accurate copies) to the external auditor and not the original documents themselves.
10. Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
11. If the auditor has to review unsolicited information, repeat a request for information, receives an incomplete bank reconciliation or explanation of variances or receives original documents that must be returned, the auditor will incur additional costs for which they are entitled to charge additional fees.
12. **Do not complete the Auditor General for Wales' Audit Certificate and report.** The external auditor completes this on behalf of the Auditor General for Wales on completion of the audit.
13. **Please deal with all correspondence with the external auditor promptly.** This will help you to meet your statutory obligations and will minimise the cost of the audit.
14. **Please note that if completing the electronic form, you must print the form for it to be certified by the RFO and signed by the Chair before it is sent to the auditor.**

**To The Chairman and Members of Bishton Community Council**

**Subject: Report of the Internal Auditor – Financial Year Ending 31<sup>st</sup> March 2018**

**1. Audit Process**

The audit was based on the final accounts presented to and approved by members of Bishton Community Council at their meeting held on 19<sup>th</sup> June 2018 and included the following tests:

**Test 1 – Payroll** - Effective audit trail through individual payslips, to cash book and bank statements and the financial monthly, confirmed the following:

- a) That all transactions have been correctly treated agreeing to box 4 of the Accounting Statement 2017-18.
- b) All payroll liabilities to HMRC have been have been correctly discharged.
- c) All transactions reconciled to P32 and P60.

**Test 2 – Reconciliation of Closing Cash Balance** - confirmed that the two bank accounts reconcile to the closing balance in Box 7 Accounting Statement 2017-18.

**Test 3 – Fixed Assets** - The audit has not identified any transactions that have impacted on the Assets. An asset register was not included in the documents made available during the audit. However, a physical inspection of the properties included in the asset value was undertaken.

**Test 4 – Purchases** – All invoices have been verified to ensure that VAT (where applicable) has been correctly identified in the cash book and included in the gross purchases but a figure of £3250 should be repayable on application to HMRC.

During a review of the payments file, it was noted that some £2157 (6% of other payments) were made to individual councillors for sundry purchases (some fairly large items); whilst there is no suggestion that these payments were incorrect or unjustified, the supporting receipts, in the main, do not identify with Bishton CC. To improve transparency, it is recommended that this practice be reviewed by the Council.

**Test 5 – Income -** Within the audit process it was not possible to verify all of the smaller room hire transactions.

**Test 6 – Monthly Financial reports to Council –** That the monthly financial reports presented to Council reflected accurately all transactions recorded in the cash book. This document could be enhanced by the inclusion of budgeted expectations.

## **2. AUDIT STATEMENT**

**Having examined the books of account, supporting statements and explanations provided and having applied the above tests, certify that the accounts and Accounting Statements 2017-2018 placed before and adopted by Bishton Community Council at their meeting on the 19<sup>th</sup> June 2017 accurately record all financial transactions during the year to give a true and fair reflection of the Council's financial position for the year ended 31<sup>st</sup> March 2018.**

The Annual Return for the Year Ended 31<sup>st</sup> March 2018 to the external auditor and Wales Audit Office require the internal auditor to identify any risk areas identified during the audit.

As indicated above, the various information sources provided indicate that the books of account are well maintained with an effective monthly reporting procedure to council, thus protecting the Council from financial risk.

However, Council may wish to consider the following:

In addition to the monies raised through the precept and receipts generated through the Council's assets, Bishton Community Council also benefit from concurrent monies worth £16050 received from Newport City Council.

The future of this discretionary grant has been under review for many years; last year Newport City Council announced that they intended reviewing the future of the grant and implementing changes effective from April 2018. Newport City council have announced that they will maintain the 2017-2018 grant for the 2018-2019; the future of this grant does still carry a question mark and therefore The impact on the Council's future expenditure plans by the withdrawal of this grant, either fully or in part does potentially present a risk.

Bishton Community Council  
Audit for the year ended 31 March 2018**

## Introduction

The following matters have been raised to draw items to the attention of Bishton Community Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2018.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

- Internal Auditor's recommendations
  - Budget did not agree to the precept requested
  - Engagement letter with internal auditor requires further detail
  - Gratuity
-

---

The following issue(s) have been raised to assist the body in improving its internal controls or working practices. The body is recommended to consider these but is under no statutory obligation to act upon them.

**Engagement letter with internal auditor requires further detail**

*What is the issue?*

The council have provided a copy of an engagement letter with the internal auditor. The engagement letter did not fully detail all the information that should be included.

The engagement letter should agree the expectations of the two parties and should include the following:

- roles and responsibilities
- audit planning, scope and timing
- reporting requirements
- assurance around independence and competence
- access to information, members and officers
- remuneration

*Why has this issue been raised?*

In the absence of such a letter or similar document, the council cannot be certain that the internal auditor will fully meet their expectations and comply with the requirements of the Accounts and Audit Regulations. The engagement letter confirms expectations of the internal auditor and the council.

*What do we recommend you do?*

The council must ensure that an engagement letter or similar document is agreed prior to the commencement of the appointment for the coming year. The letter or document should as a minimum set of the scope of the assignment to ensure all parties concur.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in Wales - A Practitioners' Guide, OYW/SLCC

---

The following issue(s) have been raised as there are minor errors on the annual return which we wish to draw to the attention of the body so they do not occur again in future years.

### **Gratuity**

#### *What is the issue?*

The smaller authority have not answered the question on Part 2 concerning the obligation to pay a gratuity. They have crossed out the incorrect statement and left the one that says 'The Council has ensured that it has a lawful obligation to pay a service gratuity to employees'. We have confirmed with the council that the correct statement should be 'The Council has no obligation or intention to pay a gratuity to employees'.

#### *Why has this issue been raised?*

The annual return has not been completed fully in line with the instructions issued.

#### *What do we recommend you do?*

In future the smaller authority should ensure they answer all questions fully.

Further guidance on this matter can be obtained from the following source(s):

Guidance notes on the annual return

---

---

The following issue(s) have been raised to assist the body. The body is recommended to take action on the following issue(s) to ensure that the body acts within its statutory and regulatory framework.

#### **Internal Auditor's recommendations**

##### *What is the issue?*

The internal auditor has noted some recommendations in the financial systems of the council.

##### *Why has this issue been raised?*

The council is exposed to the risks associated with these recommendations.

##### *What do we recommend you do?*

The council must implement the recommendations made by the internal auditor to improve the financial systems of the council as soon as possible or in any event before the end of the current financial year.

If the council addresses all the issues raised by the internal auditor the council should improve internal controls which will help to prevent and detect error and fraud and assist the council to operate in an effective and efficient manner.

Further guidance on this matter can be obtained from the following source(s):

Governance and Accountability in Local Councils in Wales - A Practitioners Guide, OVW/SLCC

#### **Budget did not agree to the precept requested**

##### *What is the issue?*

Although a budget was prepared and approved the budgeted precept figure requested did not agree to the precept requested.

##### *Why has this issue been raised?*

The council may have contravened Para 50(1) of the Local Government Finance Act 1992 which states that every council must make calculations to decide upon a precept figure. The council must assess the expected income and anticipated expenditure. Then the reserves must be taken into consideration and the resulting difference from these figures must be the precept requested. This did not happen this year as the estimated income and expenditure did not agree to the actual precept requested by the council.

##### *What do we recommend you do?*

A detailed budget must be established to support the precept requested. The council has the duty to produce a budget, which summarises anticipated income and expenditure and takes reserves into consideration. This budget must then support the resulting precept requested.

Further guidance on this matter can be obtained from the following source(s):

The Local Government Finance Act 1992.
